

Order process Dürr EMOS.Web

Go to the Internet page of our Sales partner share*it! by using our link "License order"

Ordering software via share*it! takes no more than 4 easy steps:

1. Select the product that you want and put it in your shopping cart. Click to the "Checkout" button and you will be redirected to share*it!'s order process page.
2. There you will enter your personal data in the order form and select the desired payment type and currency. Enter here the IP address of your computer.
3. In the next step, you will take a quick look at all the information you have entered to be sure it's correct, and make corrections as needed.
4. Click on "Order" to submit your order. Then you will see a final order confirmation page.

You can print out your own invoice. Click on "Print Invoice" in the middle of the page. A copy of this receipt will automatically be e-mailed to you together with your order confirmation.
