

LEADING IN PRODUCTION EFFICIENCY

DÜRR E-VOUCHERS FOR TRAINING

10% DISCOUNT ON OPEN ENROLLMENT & CUSTOM TRAINING

What is an E-Voucher?

An E-Voucher is a coupon for one day of training for one individual. These vouchers, or coupons, must be purchased in a book of 10 and are exclusively available for training at the Dürr Southfield Campus.

Buying a book of e-vouchers gives you these benefits:

- » Save 10% on training.
- » Use training budget now, schedule training later.
- » Combine e-vouchers when scheduling training—use one e-voucher per person, per day.

How E-Vouchers Work

Buy the book of 10 e-vouchers and receive a PDF of the e-voucher book. This book is registered to your company upon purchase and contains unique e-voucher codes exclusively for your company's use.

Choose an available course from the Open Enrollment Training Schedule or make other arrangements for training at the Dürr Southfield Campus.

Open the PDF. Fill in the Student Name, Class Name, Class Code, and Class Date per e-voucher. Email the PDF to APTTraining@durrusa.com or call +1 248-450-2078.

USE E-VOUCHERS TO SAVE MONEY

Open Enrollment Courses & Custom Training

EcoDocu: Dive into the interactive, electronic documentation and get hands-on experience with the search functions. Finding the right information quickly is key when there is an emergency.

Basic Paint Process: New to paint application and finishing? This course covers automotive coatings and processes including pre-treatments, coating materials, application methods, the equipment, and the overall system.

Atomizers (Fluid Maintenance): Be introduced to basic fluid delivery components of the EcoRP painting and EcoRS sealing robots with this hands-on overview.

Path Programming: Operate a teach pendant to move a robot in the virtual world. Also, learn about coordinate systems and basic path programming.

Robot Electrical Maintenance: Learn how to perform maintenance on the EcoRP/ EcoRS robots and the robot controller. Interpret error codes and master the robot.

Robot Mechanical Maintenance: Dismantle and reassemble a robot as you learn mechanical maintenance of the EcoRP robot and the EcoRail. Examine the painting process, the flow of work, and the system overview.

In addition to Open Enrollment Courses, e-vouchers may also be used for custom training held at the Dürr Southfield Campus Training Center, at Dürr's discretion.

Restrictions

Each e-voucher may be redeemed for one day of training for one individual at the Dürr Southfield Campus. The unique code on each e-voucher must be provided at time of registration.

Purchase price of the e-voucher book is based on published pricing for training at time of coupon book purchase. Invoicing occurs at time of purchase.

2016 pricing is \$4860 per book—a savings of 10% over regular pricing. This equals ten days of training for ten students for \$486 per day, instead of \$540 per day.

Copy the unique e-voucher code and include it in your registration. Each unique e-voucher code may only be used once and is valid for one day and one student only.

Cancellations by customer must be made at least five days before the scheduled class date—otherwise the e-voucher will be forfeit.

Multiple e-vouchers may be used at time of registration. Payment is required for additional days of training or students for which there is no valid e-voucher.

E-vouchers expire one year from date of issue.
