## Service x-road

The multi-function roll, brake, ABS test stand

# Service

## x-road

When developing a test stand, we can anticipate much, but not everything, that will be required in a few years' time. However, with our services, we can ensure that your systems are perfectly maintained and also receive an upgrade that will make them fit for the future in the long term.

### CUSTOMER BENEFITS

[Maintenance for x-road](#)

[Function extension](#)

[Update to new technology](#)

[System modernization](#)

[Analysis/diagnosis of measurements](#)

x-road in production

### HOTLINE SUPPORT

Often, an initial telephone description can already narrow down a problem as our experts guide your employees to a solution during the conversation. In doing so, we always strive to find the best solution for you individually.

**Our hotline: +49 (0) 160 978 41971 – 24/7 availability**

You can reach the service advisors on normal working days from 08:00 to 20:00, on weekends and holidays from 09:00 to 18:00.

You are also welcome to describe your malfunctions using the fault registration form on our website:
