HOTLINE SUPPORT

Often, an initial telephone description can already narrow down a problem as our experts guide your employees to a solution during the conversation. In doing so, we always strive to find the best solution for you individually.

Our hotline: +49 (0) 160 978 41971 – 24/7 availability

You can reach the service advisors on normal working days from 08:00 to 20:00, on weekends and holidays from 09:00 to 18:00.

You are also welcome to describe your malfunctions using the fault registration form on our website:
