

Scope of delivery for documentation of large components* according to MB standards

* Assemblies that contain in-house or purchased spare and wear parts

What volumes are to be delivered and in what form?

The following folder structure must be observed

No.	Scope of delivery	Description	Template + File Format
01	Operating instructions	Operating instructions according to the Machinery Directive	PDF
02	Spare parts list / parts list	Spare parts list with original manufacturer and manufacturer part number for all spare and wear parts.	<u>SLE2021_V1_TP_STL_F</u> <u>LOC_BOM_Import1_EN.</u> <u>xlsx</u>
03	General drawings	Drawing with positioned spare and wear parts. The positioning must correspond to the spare parts list.	PDF
04	Detail drawings of components	Drawings for all spare and wear parts of in-house production parts.	PDF
05	Data sheets / Safety data sheets	Data sheets in German/English for all purchased parts (catalog goods) from the original manufacturers, also drawings if necessary	PDF
06	Mercedes part numbers (B8...)	If available, see material release list.	
07	Drive dimensioning	Only for motors	PDF
08	Maintenance plan	see template - incl. maintenance activities for parts from sub-suppliers. Reference to the supplier documentation is not permitted.	<u>000_B3.002.04.08_APP</u> <u>Sample_General</u> <u>PM_V70.00.xlsx</u>
09	Lubrication list	See template	<u>000_B3.002.04.10_APP</u> <u>Sample_Lubrication</u> <u>Chart_V70.00.xls</u>
10	Circuit diagram	EPLAN as PDF	PDF
11	Risk analysis , EC Declaration of Conformity or Declaration of Incorporation	EC MD and EU MR* /PED/ATEX/Low voltage directive * The declarations must be issued in accordance with both, the Machinery Directive 2006/42/EC and the EU Machinery Regulation 2023/1230 in order to enable placing on the market before and after 20.01.2027.	PDF

How is the documentation to be transmitted to Dürr?

The technical documentation is to be sent in **digital form** by the agreed deadlines either to the responsible technical editor (if known) or to docu.automotive@durr.com. Links to company websites (URL) are explicitly not accepted.

Questions?

Matthias Wezstein +49 7142 78 -1137
